

# HILL RADNOR

## Hill

Established in the UK: Unknown

### ORIGINS

The hills around Radnor, Hereford, Monmouthshire and Brecon.

### CHARACTERISTICS

A hardy, heavy sheep with a docile nature and a strong maternal instinct. Grey nose, tan face and legs, without wool on its face or legs. Only the ram is horned. Its dense and springy white fleece can sometimes contain kemp.

### LOCATION

Mid Wales.

### MAIN USES

Still used in traditional Welsh woollen fabrics, but is also valued for carpet production.
