

British Wool – Sale Report

BW91 – 24th March 2020

Key Points

Index: No Quote

Total weight offered 1.453m kg Total weight sold 0.226m kg Clearance 15.6%

Average greasy price £0.659 / kg

Commentary

BW91 saw very weak demand with only 16% of the 1.45m kg offer selling. The lots that sold predominantly comprised the lower value types, i.e. Locks, Fault grades and Coloured wools, and the mix effect heavily influenced the average price achieved. Prices on the more main stream types were generally buyers favour where sold. Given the limited clearance it is not appropriate to quote an index measure this sale.
